

**Announcement for Seafarers no. 3/T/2016  
Notice for Seamen no. 14/TAJ/2016.  
Certificates with clerical errors**

In compliance with the Shipping Regulation issued with NFM Decree 57/2011. (XI. 22.),  
I hereby issue the following notice:

---

We kindly draw the attention of Seafarers to the fact that Aeromed Kft. has informed the Hungarian Shipping Authority that **in some cases “Elementary First Aid” training certificates** approved by the Authority **under number UVH/HF/NS/B/834/1/2012 were issued to training participants with clerical errors.**

The mistakenly issued certificates contain a reference to STCW 78/95 instead of correctly listing the STCW 1978 Convention as amended.

*We hereby certify the conformity of the certificates issued mistakenly due to an administrative error with the STCW Convention of 1978:*

WE CERTIFY

*Holder has successfully completed "Elementary First Aid" training in  
**accordance with STCW 1978, as amended Reg. VI/1Table A-VI/1-3**  
IMO Model Course 1.13*

As of this notice, I hereby revoke the Announcement for Seafarers no. 2/T/2016 and Notice for Seamen no. 13/TAJ/2016.
